

## **When Shall He Burst the Clouds Above?**

"For in just a little while, the Coming One will come and not delay." Hebrews 10:37 [NLT]

Tune: Land of Rest, 8686

When shall He burst the clouds above  
And come to claim His own?  
When shall His voice be clearly heard  
In shout of vict'ry won?

That day and hour to us is hid,  
But God alone knows all;  
When fully preached the Gospel sound,  
The curtain then will fall.

To work and wait is now our task  
Who on Christ Jesus call;  
To labor while the light still shines  
Before the darkness falls.

So come, Lord Christ, and let me be  
At work to rescue souls;  
To preach the Gospel with great joy,  
And see You make men whole.

To be at home with You, Lord Christ,  
Is where I want to be;  
I'll worship You without a care  
To turn my eyes from Thee
