

As David Praised the Lord Above
(based on Romans 15:8-13 and Col. 1:25-27)

As David praised the Lord above,
For all his work of saving love,
So Jesus lifts a song of praise,
Among the Gentiles he has raised.

The Savior came to rescue men,
To save the nations from their sin;
Tells them to join the song of joy,
Of those who sins have been destroyed.

All nations that inhabit earth,
Should fill their hearts with gladest mirth,
For God has not forgot their state,
But sent his Son to pay their debt.

The One who came from David's stock,
Was he who died but then rose up,
To be the King of Gentile folk,
The Source of their eternal hope.

The Savior's plan is now made known,
To all the Gentiles God has shown,
That faith in Christ will bring them in,
To join God's people saved from sin.

So come with joy you Gentile race,
And let sweet songs of saving grace
Rise from your lips and fill your heart,
For heaven's peace shall not depart.
