

From Heav'n You Came

Tune: Land of Rest CM 8686

From heav'n You came to rescue us, to pay for all our debt,
You lived and died and rose again, to lead us on to rest.

We had no hope nor life nor love 'til Jesus came to save,
He suffered what our sins deserve; then triumph'd o'er the
grave.

When he had drunk sin's bitter cup, the Father said, "Well
done;
Rise up from death and lead my sons on to their heav'nly
home."

Lord Jesus Christ, You are our King, what can we do for
you?
We'll bow before your sovereign throne and live in
gratitude.

By grace alone we live below, with hearts fixed up above,
Our comfort now and evermore is Christ's unfailing love.
