Tune: Ottawa
(Evening Prayer)

*Blessed be the Lord of glory, for His visitation here,
In Christ Jesus is the story, of release from ev'ry fear,
He's our Savior, He's our God; He who walked upon our
sod.*

*Raised He high His horn of power, for our liberation now,
Satan and his demons cower, every knee to Christ will
bow,
He's our Victor, He's our King, unto Him we'll ever sing.*

*Tender mercy He has given, made salvation sure and
strong,
By the cross sins are forgiven, holiness to us belongs,
Be exalted Jesus' fame, death is conquer'd through His
name.*

*Dawn has broken, light is beaming, He's God's revelation
true,
Night is passing, darkness fleeing, those in Him find life
anew,
He's our Sunrise, He's our Light, peace He gives us day
and night.*
