## When Tides of Judgment Rise

When tides of judgment rise at last  
and days of grace have surely passed,  
in vain we break from sleep and trance;  
too late to plead for second chance.  
God's warning signs in every age  
appear throughout the sacred page.

2 By faith, when warned of things not seen  
when sin was rife and hearts unclean  
an ark was formed to ride the flood  
of final wrath, and spare our blood.  
But all despised the preacher's word;  
his faith condemns a world unstirred.

3 Yet still God spoke through Gospel sign,  
through rainbow, blood and family line,  
the rock of law, the way of grace,  
and messengers who'd seen Christ's face.  
But seers were killed and preachers scorned;  
have mercy on the world you warned!

4 For as it was in Noah's day,  
the Son of Man with lightning ray  
will come at last to judge the earth;  
his Cross alone provides safe berth.  
Oh may we hold this message fast,  
before the day of grace has passed!

## See the Grace of God Abounding

See the grace of God abounding,  
righteous wrath, redeeming hand;  
see the very Flood of judgment  
bear the Ark to welcome land:  
faithful man with God of mercy  
firm in every trial shall stand.

Hear the voice of God the Father  
call his people from their sin;  
hear his promise to sustain them  
till the Promised Land they win:  
humans with a mighty Saviour,  
seen by none yet heard within.

Feel the healing touch of Jesus,  
God incarnate here on earth,  
telling us of sin forgiven,  
new beginning, second birth:  
justified, the people praise him,  
prove his love and preach his worth.

Know the power of God the Spirit,  
leading, guiding, always true;  
looking on to Christ's returning  
when this life on earth is through:  
sin and death cast out for ever!  
See, our God makes all things new!

Now, to Father, Son and Spirit,  
mystic three in unity,  
be all glory, praise and honour  
now and through eternity;  
for at last his ransomed people  
shall his new creation see.
